

Rolling in the Deep

Adele

There's a fire starting in my heart
Reaching a fever pitch and it's bringing me out the dark Finally I can see
you crystal clear
Go 'head and sell me out and I'll lay your ship bare

See how I leave with every piece of you
Don't underestimate the things that I will do
There's a fire starting in my heart
Reaching a fever pitch and its bringing me out the dark
The scars of your love remind me of us
They keep me thinking that we almost had it all
The scars of your love they leave me breathless, I can't help feeling

We could have had it all (*You're gonna wish you, Never met me*)

Rolling in the deep (*Tears are gonna fall, Rolling in the deep*)

You had my heart inside of your hand (*You're gonna wish you, Never met me*)

And you played it to the beat (*Tears are gonna fall, Rolling in the deep*)

Baby I have no story to be told
But I've heard one on you and I'm gonna make your head burn Think of
me in the depths of your despair
Making a home down there 'cause mine sure won't be shared
The scars of your love remind me of us
They keep me thinking that we almost had it all
The scars of your love they leave me breathless, I can't help feeling

We could have had it all (*You're gonna wish you, Never met me*)

Rolling in the deep (*Tears are gonna fall, Rolling in the deep*)

You had my heart inside of your hand (*You're gonna wish you, Never met me*)

And you played it to the beat (*Tears are gonna fall, Rolling in the deep*)

*Throw your soul through every open door
Count your blessings to find what you look for Turned my sorrow into
treasured gold
You pay me back in kind and reap just what you sow we could've had it all
We could've had it all
It all, it all, it all,*

**We could have had it all
Rolling in the deep
You had my heart inside of your hand
And you played it to the beat
We could've had it all
Rolling in the deep
You had my heart inside your hand
But you played it, you played it, you played it, you played it To the
beat**
